

## Help Turn This Year's Meal into a Feast!

During this holiday season, Micah's Place will be collecting completed Thanksgiving Baskets for families who have received services through our agency. Everyday, we see successes that the families are able to attain due to the generosity of our community. You can create a Thankful Thanksgiving in the lives of these families by supporting our Thanksgiving Assistance Program! There are several different ways to be a part of providing a Thanksgiving meal to the families we serve.

**First**, pre-filled Thanksgiving baskets are needed. We serve over a 100 families each holiday season. You can provide baskets (large wicker, straw or laundry baskets) for one family or several families. The following is a list of possible items to complete one Thanksgiving basket for a family of four:

**Two each of:**

Canned corn  
Canned sweet peas  
Canned cut green beans  
Canned yams  
Macaroni & Cheese  
Boxed stuffing mix  
Canned chicken Broth  
Cans of fruit

**One each of:**

Gift Card for ham or turkey  
Turkey gravy  
Canned Cranberry Sauce  
Boxed cornbread mix  
Boxed instant potatoes  
Cake Mix  
Oil  
Spices

**Second**, gift certificates from local grocery stores are needed for turkeys. Due to lack of storage space and the necessity for ease in preparation, we are unable to accept frozen or fresh turkeys.

**Third**, monetary donations and store gift certificates are needed to assist in purchasing the food, baskets, and turkeys for the families. Walmart Super center in Yulee is the most accessible and centrally located for a majority of our participants.

If you would like to provide a family with a Thanksgiving feast please call 904-491-6364 x100 or email [adminassistant@micahsplace.org](mailto:adminassistant@micahsplace.org). We would like all baskets and gift certificates delivered to our administration office no later than November 16<sup>th</sup>, 2011.
