

Dear Friends of Micah's Place,

Micah's Place depends on donations to continue doing work in our community. What may not seem like much to you can make a life-changing difference to someone who needs it. A box of pasta becomes a mom's first chance to cook dinner for her children. A set of pajamas becomes a good night's sleep for a family entering the shelter in the middle of the night with just the clothes on their backs. A pair of shoes becomes a child proudly walking into his classroom. A box of tissues becomes the first time a victim is able to tell her story to a listening ear. A blanket becomes a bedtime story and tuck-in at night.

With your help, Micah's Place was able to assist **1,088** women, children, and men last year across all of our services. That amounts to:

**15,620** meals eaten

**1,094** new outfits

**1,586** safety plans

**5,068** nights of safety

Little things add up to have a big impact in the lives of our survivors and their children. Together, we can continue to work to provide victims of domestic violence with those "little things" – because we know they are the building blocks for a life of safety, freedom, and peace.

Individual donors are essential to the well-being of our families. Many thanks to our donors who have supported the program over the years. We are blessed to have friends like you! Today you can help "Little Things have a Big Impact" for domestic violence survivors by contributing to our 2017/2018 Annual Campaign.
