## MICAH'S PLACE HOLIDAY GIVING PROGRAM GIFT CARD DRIVE

Children are making their list and checking it twice, hoping to wake up Christmas morning to a pile of presents from Santa. However, for children of domestic violence, the holiday season might not be as bright.

**Every year, 1 in 15 children are exposed to intimate partner violence. That's a lot of children who need your help to have a Merry Christmas.**

*Unlike toy drives , the Gift Card Drive gives parents who were victims of domestic violence hope and empowers them to be independent. The sad truth is that many people who leave an abusive relationship do not have the financial support to buy presents for their children. The drive empowers parents by allowing them to personally buy their children just the right gift.*

*Spreading holiday cheer has never been easier! Get involved today by donating gift cards for clothing or department stores and dropping it off at either Purple Dove locations before December 15. If you aren't able to purchase a gift card, you can also drop off a check or cash and a representative will purchase a gift card on your behalf.*

*For questions, call 904-491-6364 x100.*
