

Donate Hope

Donate new or gently used items and give hope to families affected by domestic violence.

About Micah's Place

Our mission is to provide safety and support for individuals who have experienced domestic violence, and to raise awareness regarding its cause, prevalence, and impact.

Why host a donation drive?

Hosting a donation drive is a simple way to give back to your community and those in need. It is a team building activity, where family members, co-workers and friends can make a difference in the lives of adults and children affected by domestic violence.

How do donation drives help families affected by domestic violence?

By hosting a new or gently used donation drive you will be providing families dealing with domestic violence with both comfort and the everyday essentials they need to build their new violence-free lives.

Other Items

Answer a Call for Help/Cell Phone Donations:

Cell phones play an integral role in the safety of the families we serve, as they allow for an individual to dial 911 in case of emergencies. Cell phones can also be recycled for a monetary donation to Micah's Place.

Car or Truck Donations:

Micah's Place can greatly benefit from your donation of a used or new car. Your car can provide a survivor with access to work, school, and a start at a new life. Help Micah's Place by spreading the word to your friends and family.

Create Your Own Donation Drive
